

## Declaration For RoHS

Dear Customer:

About RoHS (Restriction of Hazardous substances) requirement, we seriously make promise as bellow:

First:

The product that we supplied as step motor, brushless motor, servo motor, power supply, motor drives (SR2,SR2-Plus, SR3-mini,SR4, SR4-Plus,SR8, SR8-Plus, SRAC Series,STM17R,STM23R,MSST5-S, MSST10-S, MSST10-PLUS, STM17/23/24, SSM17/23/24, TSM17/23/24, MSSTAC5,MSSTAC6, MSST5-Q, MSST10-Q, TXM24, SWM24, BLD5/10) all matches the requirement and rule. RoHS and related environment law is fit for our factory management and products.

The detail limit for Restriction of Hazardous substances is as below list for check:

Project	Hazard environment harmful substance name	ROHS instruction acceptable but not beyond the numerical(PPM)
1	Cadmium and its compound(Cd)	100
2	Hexavalent chromium and its compound(Cr+6)	1,000
3	Mercury and its compounds(Hg)	1,000
4	Lead and its compound(Pb)	1,000 (PVC cable shall not surpass numerical for 300PPM)
5	Polybrominated biphenyls(PBBs)	1,000
6	Polybrominated diphenyl ethers (PBDEs)	1,000

Second:

If customer demands more detail data, we can let our supplier (vendor) provide the material's test report as SGS certification or test result record. It can be provided per time every year.
